NOTES:

ft²*d - one square foot of sign face installed for one calendar day or part of calendar day. The number of square feet of each sign will be computed to the nearest tenth of a square foot. Each day the sum of the area of all the in place sign faces will be rounded to the next whole square for payment purposes.

Dev*d - is defined as the number of devices used to control, direct or warn traffic per calendar day or part of calendar day.

ft*d - is defined as the number of linear feet of barricade placed per calendar day or part of a calendar day.

All Unit Prices must be inclusive of all costs associated, e.g. call outs, service(s), labor, etc.
